

ALVARO HIDALGO

ANDROID DEVELOPER

PERSONAL BACKGROUND

I'm passionate about Android Technology, always learning about new Patterns and new technologies to use. I have more than three years of experience as Android Engineer, I developed apps for my clients and, also, some personal apps. I really enjoy to work in team and I'm always open to new ideas and new challenges.

WORK BACKGROUND

Android Lead Developer / Currently

PRIVALIA, BARCELONA

- Develop new features and maintain the core of the Privalia E-commerce App.
- Support other developers in the team and take technical decisions in meetings with other teams.

Android Developer / Aug 17-Sept 18

PRIVALIA, BARCELONA

- Develop new features and maintain old ones in the Privalia E-commerce app.
- Being part of the Core team, fixing and refactoring legacy code and bugs.
- Improving my skills as programmer and learning about advanced programming patterns and architectures.
